Attention is respectfully invited to Mr L. S. Rajo's Ithilla N° 401 d: 27.9.11 and to Mr B. Bhimia Rao's N° 618 d: 16.1.13 stating that the affairs of the Matt are fairly satisfactory.

The following are the petitions found in the record which have been received complaining of the mismanagement of the affairs of the Matt.

1) Petn d: 28.2.10 signed by Ramabhatta in Nagari

3) " " : 22.9.13 " " B. Subbabhatta
4) " " : 20.11.13 " " B. Subbabhatta and 5 others.

On the other hand, there are the following records showing that the management is satisfactory.

PAK/65 The reports of the Amildar and V/S of the sub-div officer show that the Matha building is still hopeless state of dilapidation, and the Matha affairs is a very unsatisfactory condition. The Amildar says he paid a personal visit & the Swami who was living with bare Kitty & Kin instead of in the Matha. The Swami's answers & the Amildar's enquiries abt Matha management and accounts were far from showing his interest in the Matha.

The Amildar has been making an Exhaustive enquiry as to the lands & other properties alienated, those which are in actual enjoyment of the matha, the actual requirements of the matt &c &c In the meantime the Dy Com recommends that in order to

Sir,

Adverting to para 3 of this office letter No.404 dated 16-4-11 promising a detailed report in the matter of the affairs of Tengina Matt, a Muzerai Institution in Bhandigadi village, Koppa Taluk, I have the honor to state as follows:-

The records of enquiry ending with the Kadur Sub-Divisional Assistant Commissioner's Yadi No.738 dated 26-12-1913 herewith submitted for kind reference show that (i) no puja or other divine & charitable services are being conducted in the Matt and the Matt building itself is in neglected and dilapidated condition, a portion having fallen down completely; (ii) Sitaramaiya, father of the present Swamy was managing the affairs of the Matt as Agent till his death in November last. It is gathered from the records that Sitaramaiya during his long tenure of office as agent never maintained any accounts of receipts and expenditure of the Matt and that most of the

Matt lands have been alienated. Detailed statistics showing the particulars of lands alienated, nature of alienation made, names of persons to whom and the considerations for which they are alienated and steps which will have to be taken for the resumption of these lands to the Matt, actual income of the Matt and the scale of expenditure which may be sanctioned, will be submitted to you as soon as the required information is received from the Amildar, Koppa Taluk who is holding a detailed enquiry into the matter. It is also seen from the records that there are no properties of any kind in the Matt, all being removed to the house of the late Agent Sitaramaiya and misappropriated by him. Sitaramaiya having died recently, the Swamy has nominated his own brother Nanjappaiya as Agent of the Matt. The Amildar is strongly of opinion that if Nanjappaiya's appointment as Agent is approved of, the affairs of the Matt would grow from bad to worse; (iii) As regards the Swami of the Matt, it is reported that the present Swamy who had been long absent at Pudukote returned to Bhandigadi on or about the 7th. December 1913 and that when he came to Bhandigadi instead of stopping in the Matt he went and stayed in his father's house along with his brother and his brother's family as one of the members of the family. The Amildar further reports that when he had personal talk with the Swami about the affairs of the Matt, the Swamy evinced little or no interest in the matter of the restoration of the Matt building and the management of the Matt affairs in general and told him

2

him that he would stop at Bh gada f -

to Pudukote where he has left all his things.

II. It is matter for regret that the affairs of this institution which is revered by the people of these parts of the District should have been mismanaged in this way and that the Swamy should have been indifferent to the management of its affairs.

Under the circumstances represented above, I beg to recommend that the management of the properties belonging to the Tengina Matt may under the provisions of Sections 25 & 26 of the Mysore Muzerai Regulation be placed in the hands of the Amildar of Koppa Taluk pending submission of the statistics showing the particulars of the Matt lands alenated &c referred to in sub-para 3 * * marked (iii). supra and the receipt of Govt. orders thereon.

I have the honor to be,

Sir,

Your most obedient servant.

Sir,

With reference to correspondence ending with your letter No. S.42 dated 30th March 1914, reporting upon the affairs of the Tengina Matha at Bhandigadi in the Kopna Taluk, and recommending the assumption by Government of the management of the Matt and its properties, I am directed to observe that Sections 25 and 26 of the Muzrai Regulation do not appear

appear to be applicable to the case in point as there is no formal complaint from the disciples of the Matha and that under the circumstances it does not seem possible under the Regulation for the Government to assume management of the properties of the Matt. If on further investigation, any of the Inam lands endowed to the Matha has been actually alienated, the necessary action under the Inam rules may be taken to resume possession of such lands.

I am to state that there would be no objection to such assumption of management if the Swami should be a consenting party and it is hoped that if the benefits to the Matha attending thereon are placed in their proper light before the Swami, it may be possible to prevail upon the Swami to entrust the management to Government.

I have, &c.,

For Secretary to Government.
